

I'LL BE WAITING

ADELE

Vers 1

Hold me closer one more time
Say that you love me in your last goodbye
Please forgive me for my sins
Yes, I swam dirty waters
But you pushed me in
I've seen your face under every sky
Over every border and on every line
You know my heart more than I do
We were the greatest, me and you

Brygga

But we had time against us
And miles between us
The heavens cried
I know I left you speechless
But now the sky has cleared and it's blue
And I see my future in you

Refrång

I'll be waiting for you when you're ready to love me again
I'll put my hands up
I'll do everything different
I'll be better to you
I'll be waiting for you when you're ready to love me again
I'll put my hands up
I'll be somebody different
I'll be better to you

Vers 2

Let me stay here for just one more night
Build your world around me
And pull me to the light
So I can tell you that I was wrong
I was a child then but now I'm willing to learn

Brygga

But we had time against us
And miles between us
The heavens cried
I know I left you speechless
But now the sky has cleared and it's blue
And I see my future in you

Refrång

I'll be waiting for you when you're ready to love me again
I'll put my hands up
I'll do everything different
I'll be better to you
I'll be waiting for you when you're ready to love me again
I'll put my hands up
I'll be somebody different
I'll be better to you
